

**CALL FOR PROPOSALS FOR MARYLAND GERONTOLOGICAL  
ASSOCIATION STUDENT AWARD  
(Due date: March 31, 2010 by 5 P.M.)**

The MGA student award committee invites **graduate students** from degree granting programs in Maryland with a focus on older adults to submit a proposal of a project that demonstrates innovative approaches to service delivery care which support older people at home, in the community or in institutional care. Two monetary rewards up to **\$1,000.00** each will be given to those selected. The recipients will be expected to attend the MGA annual conference June 9, 2010 with faculty mentors, present the project in poster format throughout the conference and receive the award during the conference.

**MGA Student award criteria:**

The student is asked to submit:

A **2-3 page** description of the project (**12 point type Times Roman, single spaced**).

A **letter from the faculty mentor** to verify that the work represents the student's own efforts.

A **second letter** of support from an additional faculty person.

**The proposal should address the following:**

- Statement of purpose of the project
- Description of the target group of older recipients of the project
- Innovative approaches to care and their impact on the target group
- Replicability of the project and its relevance to future work in the field

**Date of submission:**

The documents (proposal and two letters of support) will be submitted electronically to: [marylandgerontologyassoc@yahoo.com](mailto:marylandgerontologyassoc@yahoo.com) by **5p.m. on Friday March 31, 2010**.
